Segovia enjoyed an evening at the Nationals Ball Park stadium, Florida and was with Ellis Smalls

Chuck Webb, Gil Brown and Bob Zarobinski. The highlight of the event was, as quoted by Chuck Webb, "The King on the

Washington Nationals Third Baseman Ryan Zimmerman started the zIMS Foundation in the hopes of curing for Multiple Sclerosis.

What motivated you to attend the event?

Mark Wilson: I like baseball and am a Nationals fan, as is my son, so when given the opportunity to take him to such a great event - I jumped at it.

Tim Hoopes: My family and I are big Nationals fans and my sons' favorite player is Ryan Zimmerman. There is no way I could miss the opportunity to meet him and a lot of the other players.

Brent Webb: We were excited at the opportunity to meet the Nationals ball players.

Kelly Blanks: I have been friends of the Zimmerman family from a young age. I knew Mrs. Zimmerman before she was diagnosed with MS and know the hardships that the entire family has gone through over the years. It is wonderful to see Ryan take his good fortune and unselfishly share it with so many others. He puts a lot of effort into his foundation and has written into his contract that the ballpark must reserve a night for his philanthropic event on an annual basis.

What auction items did Segovia donate/did you win at the event?

Mark Wilson: At the silent auction I bought an autographed picture by Cal Ripken at bat on the night of his 2131st consecutive

game. The way home that evening I rehearsed with my son the story we were going to tell my wife about how David Blaine made it suddenly appear and let us keep it, but the second we arrived home he burst into the house announcing how much I paid for the picture. I cried.

Tim Hoopes: Couldn't afford any of the auction items but there was some really neat stuff.

Brent Webb: We did not win any items but our favorite item was the Pete Rose autographed bat.

Kelly Blanks: I was not fortunate enough to win anything that evening. However, I know some others who donated fantastic prizes :)
